

The Mitre Tavern

Tavern Events Package 2025

Thank you for considering The Mitre Tavern for your event!

The Mitre Tavern can accommodate a wide range of events in our variety of areas throughout our historic building.

Our famous outdoor beer garden spans over 400 square meters and opens up to the skies above. Not short of versatility, our beer garden features large awnings and wall heaters to ensure that your experience is still excellent on those occasionally dreary Melbourne days.

Inside the tavern, you will find several distinctive and unique rooms to cater to your needs.

We have The Parlour, an open area with easy access to our bar with natural light flooding in from Bank Place.

Our Wood Room is perfect for intimate events, a small area full of charisma with history scattered all over the walls.

The Bistro is a large space fantastic for work events and birthdays alike. The heartbeat of the tavern, brimming with liveliness. Friends and families have been sharing memories in this area for well over 100 years.

All of our events can be arranged with platters & snack food or ordering straight from the wide range of options on our tavern menu.

If your event requires a more private and fine dining experience, head upstairs to our Steakhouse. Hold your small to medium size business meetings in The Board Room, which was once known as The House of Lords, a private area equipped with AV equipment for presentations upon request. For larger events, our dining room is perfect featuring a lovely atmosphere with high ceilings and stained-glass windows. Please see our website under Steakhouse Events Package for a copy of our Steakhouse Events package.

Please refer to the gallery on our website for more images of all of our spaces.
